

Call to Special Meeting

On December 12, 2010 at 7 p.m. in the clubhouse, the Board will be holding a Special Meeting of the Longmeadow Condominium Association to vote on refinancing our four existing roof loans and combining them into one loan.

In addition to the vote on refinancing our loans, the Board will also give a brief run-down of the 2011 budget, common fees and assessments.

Despite the looming holidays, please take the time to attend this meeting!
